Draper Travel Grant Information

Eligibility:

- Applications will be accepted from current Draper students, who will be delivering papers or posters at scholarly conferences while still matriculated.
- Applications must be for conferences that occur during or after the current application period.

Procedures:

The Draper Program will award up to five grants of $200 each during the academic year, with applications accepted during these periods:

- September 1 – October 31
- November 1 – December 31
- January 1 – February 28
- March 1 – April 30
- May 1 – June 30

At the end of each application period a drawing will be held of all valid applications. If no applications have been received, two will be drawn during the immediately following period. An unsuccessful application may be resubmitted for future drawings, until the time of the conference has passed. Students who have received a grant for one conference will not be considered for future awards. Students may apply only once in each period.

Applications must be received by the Draper Program no later than 5:00 p.m. on the last day of each application period and should include the Travel Grant Application (below) and confirmation that the paper has been accepted for presentation. Submissions can be made at the Draper office or via email to draper.program@nyu.edu.
