Qualifier Examination Scheduling Form

Second-year students are required to schedule and take their Ph.D. Qualifier Examination during the Spring semester. This examination is scheduled by the student with the four faculty members of their Core Dissertation Committee. It is the responsibility of the student to work with their Core Dissertation Committee members to set the date and time for the examination, which must be scheduled by February 15 and communicated to the Department through the submission of this form. The exam should take place between April 15 and June 15.
