

Trial Study Form

This form is to be reviewed and signed by your academic or research advisor. At advisement you will discuss your semester course schedule and list below those courses approved for study. Students must bring a copy of their transcripts for advisor review. This form should be signed only after your advisor has reviewed your transcript.

Student Name: _____ N# _____

Semester of Enrollment: _____

Course Number Course Title Credit Value

Course Number	Course Title	Credit Value
PHYS-GA- _ _ _ _ _		

By signing below, I confirm that I have reviewed this student's academic record and approve his/her course schedule for the term.

Signature: _____ Date: _____

- Students may register for a maximum of 12 credits per term.
- 72 credits are required for the PhD. Tuition for credits beyond 72 are not covered by GSAS or the Department.
- Students must maintain continuous enrollment for every semester in the program by registering for credit until all 72 degree credits are completed. Maintaining matriculation (MM) for 0 credits is reserved only for students who have completed all 72 credit requirements.
