- As a joint major, you have two DUGSes. The Linguistics DUGS ([linguistics.dugs@nyu.edu](mailto:linguistics.dugs@nyu.edu)) advises you on the linguistics part of your major. Your language courses should be chosen in consultation with the other department; a summary of the requirements can be found in the CAS Bulletin.
- The course called *Societies and Social Sciences: Linguistic Perspectives* (V55.0660), which is no longer offered, will also satisfy the introductory course requirement.
